

School Social Work Program

Provides school-based early detection and intervention for elementary school children experiencing serious emotional disturbances that interfere with learning. The program targets children from kindergarten through the sixth grade and views involvement of the child's family as a crucial element in the treatment process.

Children's Intensive Services

Provides services and support for families of mentally ill children (up to age 17) who require a greater level of service intensity than can be provided through Outpatient Therapy or the School Social Work Program.

The Institute

Provides a variety of education, prevention, and training programs including: Alzheimer education, adolescent development, asset building, caregiver education, child development, community education, depression education, elder abuse education, infant mental health, mental health training, parent education, preschool expulsion prevention, stress management, substance abuse prevention, violence prevention, and youth social skill development.

COPPER COUNTRY MENTAL HEALTH SERVICES PROGRAMS

It is the mission of the Copper Country Mental Health Services Board to ensure that appropriate, cost-efficient, and quality behavioral health services are accessible to persons in Baraga, Houghton, Keweenaw, and Ontonagon counties.

Copper Country Mental Health Services provides an array of services intended to increase independence, improve quality of life, and support community integration and inclusion of the persons served.

Co-Occurring Disorders Treatment

All services include treatment for people with a combination of mental illness and/or developmental disabilities and substance use disorder. This approach helps people recover by offering mental health and substance abuse treatment together.

Emergency Services

Services are available 24-hours a day, 365 days a year to persons having a mental health emergency requiring immediate assistance. These services include crisis intervention, assessment, and pre-screening for hospitalization. Emergency services telephone numbers are listed on the back of this brochure.

Assertive Community Treatment

The ACT Team provides services to individuals with severe and persistent mental illness. It offers a wide array of clinical, medical, or rehabilitative services during face-to-face interactions that are designed to assist individuals to live in the community, or help while transitioning to a more independent living arrangement.

Community Support

A program for individuals with persistent mental illness, Community Support provides practical assistance at home and in the community with such things as medication

management, grocery shopping, managing money, and housekeeping.

Psychosocial Rehabilitation

Northern Lights Clubhouse provides services to members using the Clubhouse Model. Members who are adults with persistent mental illness are involved in program operation, transitional employment and social/recreational activities.

Day Programs

Day programs provide structured services to persons with persistent mental illness and persons with developmental disabilities. Services are available at the Centers in L'Anse and Ontonagon. The day program is a place where people can come for support, training, companionship, recreation and some paid work.

Case Management/Supports Coordination

Provides assessment, service planning, linking/coordinating, follow-up, and monitoring services to adults and children with mental illness and/or developmental disabilities.

Residential Services

Group homes serve adults with developmental disabilities and/or mental illness who

require help with daily activities and a structured living environment. People receive help 24-hours a day from trained staff.

Nursing Home Services (OBRA/PASARR)

The OBRA Team works with area hospitals and nursing homes to identify and address the mental health needs of persons residing in long-term facilities.

BRAVO

The program offers support to people with developmental disabilities so that they can live, work and play where they choose. These supports may include help with things like taking care of personal business, grocery shopping, cooking, managing money, assistance at doctor's appointments, housekeeping, taking part in community events, and respite.

Outpatient Therapy

Provides assessment and treatment services for persons who are severely mentally ill or seriously emotionally disturbed. The type of help offered varies and may address family relationship problems, parent/child conflicts, interpersonal-social conflicts and symptoms related to depression, anxiety, and other acute psychiatric problems. Services are provided at offices in Houghton, Calumet, L'Anse, and Ontonagon.
