

**COPPER COUNTRY MENTAL HEALTH SERVICES
REGISTERED NURSE**

Posting Length: 08/31/18 -
Until filled

A full-time Registered Nurse will join our staff as part of multidisciplinary treatment team. This position is based in Baraga to provide professional nursing services to people with intellectual/developmental disabilities and/or mental illness.

This position will conduct health care assessments, develop health care plans, act as a liaison with the medical community, and participate in the development of Individual Plans of Service using a person-centered planning process; as well as providing staff training across a variety of program settings. This position includes a shared “on-call” assignment on a rotational basis.

Requires Michigan licensure as a registered nurse; experience working with people with disabilities is desirable.

Competitive salary with excellent fringe benefits.
