

REGISTERED NURSE

Posting: 09/28/18–
until filled

A full-time Registered Nurse will join our staff as a member of a multidisciplinary treatment team in Houghton that uses person-centered planning processes to provide clinical nursing services to people with intellectual/developmental disabilities and/or mental illness.

This individual will conduct health care assessments, develop health care plans, act as a liaison with the medical community, and participate in the development of Individual Plans of Service.; as well as providing staff training across a variety of program settings.

This position includes a shared “on-call” assignment on a rotational basis.

Requires Michigan licensure as a registered nurse; experience working with people with disabilities is desirable.

Orientation and on the job training will be provided.

Salary commensurate with experience and licensure.
