

REGISTERED NURSE/ NURSING SERVICES COORDINATOR

Posting: 11/29/2018–
until filled

We are recruiting for a full-time individual who will join our staff as part of a multidisciplinary treatment team. This position is based in Houghton to provide professional nursing services to people with intellectual/developmental disabilities and/or mental illness.

This individual will conduct health care assessments, develop health care plans, act as a liaison with the medical community, participate in developing Individual Plans of Services using a person-centered planning process, provide staff training across a variety of program settings; and schedule & provide on-call coverage.

The RN/Nursing Services Coordinator will also: directly supervise Registered Nurses who provide services to people with intellectual/developmental disabilities; coordinate activities and schedules of on-call RNs; act as a liaison with other Agency RNs in order to disseminate information in a timely manner and to assure coverage for time off; act as the Agency's Infection Control Nurse.

Experience with intellectual/developmental disability population is preferred.

Salary commensurate with experience and licensure.
