

THERAPIST/CLIENT SERVICES MANAGER - ACT TEAM

Posting Length: 11/06/18 –
until filled

Copper Country Mental Health, a four-county community mental health center, is recruiting a full-time Assertive Community Treatment (ACT) Team Therapist/Client Services Manager.

This is a multi-disciplinary, community based, program providing integrated co-occurring and behavioral health services to individuals with severe and persistent mental illness. Clinical assessment, education/skill training, individual and group therapy, family support and crisis intervention are among the services provided as part of a comprehensive person-centered plan. This position requires interaction with various disciplines, families, staff, supervisors as well as consumers. This position needs a dynamic, people-orientated individual with strong interpersonal skills.

Bachelor's degree in Social work or a Master's degree in social work, psychology, education, nursing, or counseling with eligibility for licensure in Michigan is required. One-year experience in the mental health field is desirable.

Competitive salary with excellent fringe benefits.
