

# EARLY CHILDHOOD MENTAL HEALTH CLINICIAN

Posting: 12/1718–  
until filled

This position provides clinical and crisis intervention services to children and families and will include assessment, development of person-centered plans, therapy, progress monitoring, documentation of services, and consultation and collaboration with colleagues and other community agencies. Services are provided in the home and community, in addition to an office setting.

This position also involves providing after-hours crisis intervention services to adults and children.

A Master's degree in Social Work, Psychology or Counseling; licensure or eligibility for licensure in Michigan; and Level II or higher Infant Mental Health endorsement or qualify for the IMH Waiver are required.

Competitive salary with excellent fringe benefits.
