

ACUTE SERVICES SPECIALIST/CLINICIAN

Posting Length: 04/12/19 –
until filled

Copper Country Mental Health is currently recruiting for a full-time Acute Services Specialist/Clinician to work as a member of our Acute Services team.

Responsibilities will include coverage of daytime emergency assessments as well as other functions of the Acute Services program such as collaboration with hospitals providing inpatient care to conduct continuing stay reviews and discharge planning.

Requirements are one of the following: a Master's degree in social work, psychology, or counseling and possession of licensure in the State of Michigan; or a Licensed Bachelor's level Social Work in the State of Michigan; or a licensed RN in the State of Michigan. At least one year of experience in the mental health field is preferred.

This position offers a competitive salary with excellent fringe benefits.
