

REGISTERED NURSE

Posting: 11/27/19–
until filled

Join a dedicated team and work closely with mental health professionals assisting our group home residents. Primary duties will include conducting health care assessments, developing health care plans, acting as liaison with the medical community, participating in development of Individual Plans of Services using a person-centered planning process, and providing staff training across a variety of program settings.

Work hours are 8AM-5PM Monday – Friday and includes a shared “on-call” assignment on a rotational basis.

Requires Michigan licensure as a registered nurse; experience working with people with disabilities is desirable.

Orientation and on the job training will be provided.

Salary commensurate with experience and licensure.
