

Applied Behavioral Analysis (ABA) Aide

Posting Length: 06/02/2021 -
Until Filled

Copper Country Mental Health, a four-county community mental health center, is recruiting Full-time Applied Behavioral Analysis Aides.

Staff in these positions will carry out interventions with children and young adults with Autism. These interventions are directed toward developing functional communication, independent self-care tasks, receptive language, expressive language, play behaviors, social skills, imitation, and/or any additional behaviors that will enable the child or young adult to more readily integrate with typically developing peers. Positions are based in Houghton but will travel to other counties. **Hours will include day and evenings hours.**

Requirements include: HSD/GED, valid MI driver's license and must pass a criminal background check.

Hourly Wage starts at \$13.09/hour with fringe benefits.

Application Packets can be picked up from:
