

Live on Lake Superior!

Benefits:

- Four-season scenic wonderland
- Endless opportunities for outdoor activities
- Arts and cultural events
- Great place to raise kids

... AND the time to enjoy it!

Who we are: A four-county community mental health facility located in Michigan's beautiful Upper Peninsula.

Who we are looking for: A community psychiatrist/medical director with interest in leadership, working with a team of quality staff, and providing outpatient services.

IS THIS YOU?
