Copper Country Community Mental Health is recruiting a full-time clinician for its Assertive Community Treatment (ACT) program. This individual will join a multi-disciplinary, community based, treatment team providing a broad range of supports to individuals with severe and persistent mental illness.

Assessment, medical monitoring, life skill training, individual and group therapy, family support and crisis intervention are among the services delivered as part of a comprehensive person-centered plan.

Michigan licensure or eligibility for licensure as a Bachelor's or Master's level Social Worker, Professional Counselor or a Registered Nurse is required. One year experience in the mental health field is desirable.

Competitive salary with excellent fringe benefits.

Resumes can be submitted to:
