

PRINCIPAL BEHAVIOR ANALYST

POSTING LENGTH: 07/13/2022 -
until filled

Copper Country Mental Health, a four-county community mental health center, is recruiting a full-time Principal Behavior Analyst.

This is a professional position working with individuals with intellectual/developmental disabilities and/or mental illness. Responsibilities will include (1) assessing behavior problems, (2) developing treatment modalities to address behavior problems, (3) evaluating program outcomes, (4) attending required meetings and (5) providing on site training as needed. The position includes serving as a consultant for Outpatient services and Day/Residential services agency-wide. This individual will supervise staff within the Behavioral Services Department.

Certified or eligible for certification as a Board Certified Behavior Analyst (BCBA) and eligible as a full, limited or temporary licensed psychologist; and one year of experience in the mental health field are required. Previous supervisory experience is desirable.

Salary is competitive with excellent fringe benefits.
